ATTENTION: STUDENT BODY

Bearlanders,

The staff and I present to you, the student body and faculty, the 1959-60 BEAR'S TALE. The purpose of this year's annual is to portray the school life and activities of the 1959-60 school year.

Going into the background of annuals, one finds that they were used only as a senior book portraying school life of the graduating seniors. It eventually spread to cover all the students and to portray their activities throughout school life. Therefore, we sincerely hope that later this book will serve as an excellent remembrance of one of the most important periods of your life, the years spent in school.

We, the staff, should like to thank Mr. Rowe for all the help, time, and thought which he has put into this book and the student body for all the things they have done to make this a better school year.

It is my sincere wish that through the passing years this book will be a memento of this, another school year.

Sincerely,

Here's to the Commander.

ABOUT OUR THEME

Your annual staff this year has chosen "Altogether Texas" as our theme for the year 1959-60. Through the entirety of the pages of this book, we have endeavored to show our state, Texas, under six flags: France, Spain, Mexico, Texas, Confederate, and the United States.

The Spaniards began the exploration of Texas only twenty-seven years after Columbus landed on San Salvador. But the Frenchman, LaSalle founded the first settlement on the shore of Matagorda Bay in 1685. But the Spaniards continued to explore and in 1691 Texas became a providence of Spain.

Mexico gained its independence from Spain in 1821, and Texas became a part of the Republic of Mexico. In 1820, Moses Austin gained permission from Spain to start a colony and by 1830, Mexico had halted the immigration of the Americans. When Santa Anna overthrew the Mexican government, the Texans revolted and on March 2, 1836, they issued a Declaration of Independence. In 1845 Texas was admitted to the Union, but seceded in 1861, to become a Confederate state. In 1870, Texas was readmitted to the Union.

Texas was named after a tribe of Indians, the Tejas, meaning "friendly." The motto of Texas is "Friendship". The state seal is a circle within a circle. There is a five pointed star surrounded by branches of live oak and olive, which stands for strength and peace. The state bird is a Mockingbird, and the flower, the Bluebonnet. Since Alaska became a state, Texas is no longer the largest in actual land area, but every Texan knows that she is still, as the song "Texas, our Texas" says, "The grandest, withstanding every test. Empire wide and glorious, You stand supremely blessed! God bless you Texas and keep you brave and strong, that you may grow in power and worth, throughout the ages long."

CLASS HISTORY

We would like to welcome the 124 students of the seventh grade to G.H.S. Since this is their first year, we sincerely hope that they will be proud to call G.H.S., their school. In this year's work they have proved they intend to work together *toward the good of the school*.

This class, being on of the largest, has 57 boys and 67 girls. Many take part in band, art, and choir, while a lot of the boys take part in sports.

We would like to wish them happiness throughout their years at G.H.S.

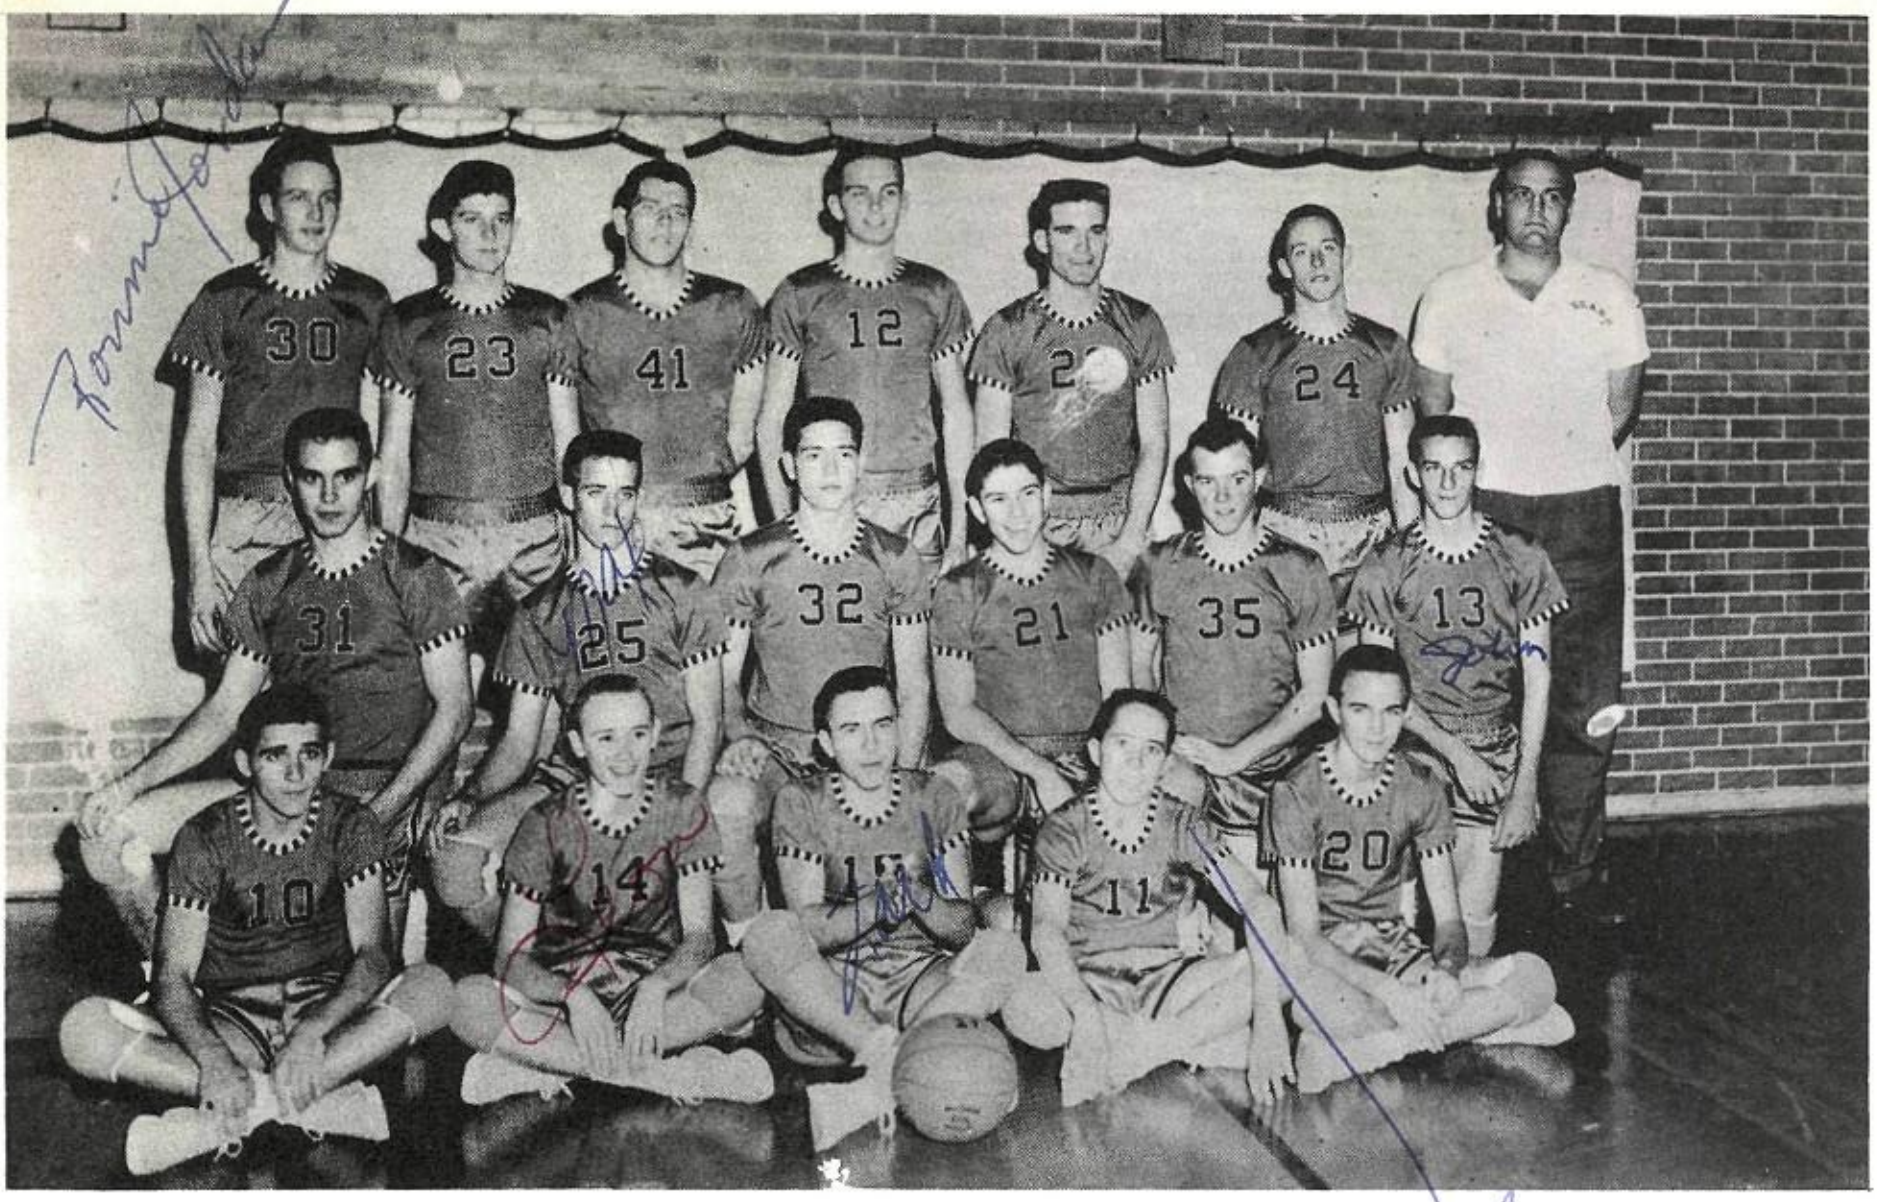
BASKETBALL



The Bear Basketball Team of 1959-60 were; First row: Don (Spider) Henley, Leon Strickland, Jack Butler, John Tallent, Billy Henley; Second row: Wayne Mueller, Max Copeland, David Colvin, Larry Waggoner, Richard Causey, John Shepperd; Third row: Ronny Jordan, Donnie Ford, Lane Davis, Gayle Horn, Bob Crouch, and Coach Bill Waters.

The 1959-1960 Roundball team was not impressive as far as its win loss record goes but just the contrary in spirit, desire, and hustle. The team lost seven Seniors but will retain a generous helping of upperclassmen with plenty of experience. They are looking forward to capturing district next year in AA.
